**INPC2007 (International Nuclear Physics Conference)**

Tokyo Japan, June 3 – 8, 2007

Dear Nuclear Physics Colleague,

INPC2007 web pages for abstract submission and online registration are now available. You are cordially invited to register for and submit abstracts to the International Nuclear Physics Conference, INPC2007, which will be held from June 3 to 8, 2007, in Tokyo, Japan.

Please find further details about abstract submission, registration procedure, accommodation, banquet, excursion *etc.* in the INPC2007 website: <http://www.inpc2007.jp>.

In the website, you also find the scientific program including the list of invited speakers already confirmed, for both plenary sessions and a public session in commemoration of the centennial of Prof. H. Yukawa's birth.

Important dates for abstract submission and online registration are as follows:

Abstract submission : Nov. 1 - Jan. 20, 2007

Online registration : Nov. 1 - May 11, 2007

(The dead line for early registration is April 13.)

We are looking forward to seeing you in Tokyo next June.

For the INPC2007 organizers
